Sudima Auckland Airport gains tourism's official mark of quality assurance

Sudima Auckland Airport has been recognised as one of the country's leading accommodation providers by Qualmark - tourism's official quality assurance.

To earn the prestigious Qualmark star rating, Sudima Auckland Airport underwent a comprehensive on-site assessment, where performance is measured against up to 400 quality criteria.

As a result of the assessment, Sudima Auckland Airport was awarded a 4.5 star grade in the Hotel category and an Enviro-Silver award in the Responsible Tourism category.

Sudesh Jhunjnuwala, CEO of Sudima Hotels New Zealand, commented, "We are delighted that Qualmark has recognised the hard work and environmental commitment we have put into this, our flagship property".

About Sudima Hotels New Zealand

Glamorton Development is part of Hind Group which is a long time property investor & hotel owner in this country, currently operating three hotels under the "Sudima" brand.

Sudima Hotel Lake Rotorua, is a waterfront property adjacent to the Polynesian Spas and Energy Events Centre. It is the largest hotel in the city, with 250 rooms.

Sudima Hotel Christchurch Airport, dominates the entrance to the airport, and has recently enjoyed a substantial makeover. It has 208 rooms.

The Hind Group is owned by L.N. Jhunjnuwala's family interest out of Hong Kong and is represented here by Sudesh Jhunjnuwala, who has made New Zealand his home since 2001.
